YEAR 5

I got married and had my first child. Later I returned from maternity leave on a flexible work arrangement.

YEAR 7 (MANAGER)

I started to serve as a mentor to two younger women on my staff and learned to appreciate the freedom of being challenged at work, while still having good work-life balance to be with my family.

YEAR 12 (ASSOCIATE DIRECTOR): \$133K - \$155K

I returned to audit and I am now on the path to be promoted to Executive Director in the next year.

YEAR 10 (ASSOCIATE DIRECTOR): \$120K - \$141K

I transitioned from audit to an 18-month rotation in a Core Business Services role within the Audit Talent Team and became an Associate Director of Audit Strategy and Development Programs. I have two young children at home and in this position I'm able to spend time with them regularly, due to a decrease in travel.
